November 2026

Dear Parent/Carer

Enrichment Clubs Relaunch

We are delighted to relaunch our Enrichment Clubs and invite all pupils to make the most of the wide range of opportunities available throughout the school week. From sport, music and performing arts to creative activities, mindfulness and social spaces, there is something for everyone to enjoy.

The updated Enrichment and social room timetables will come into effect from Monday 16th November 2026.

Enrichment is an important part of life at George Eliot Academy. Taking part helps pupils develop new skills, build friendships, discover interests and strengthen their sense of belonging within our school community. It also provides valuable opportunities to put our STAR values into action:

Self-discipline: committing to an activity, attending regularly and developing positive routines.

Tenacity: trying something new, practicing skills and persevering when things are challenging.

Ambition: exploring talents, gaining confidence and striving to improve.

Responsibility: supporting others, working as a team and caring for our school community.

Our breaktime social rooms are also available as welcoming spaces where pupils can study, complete homework, enjoy games and creative activities, or spend time with friends. We encourage everyone using these rooms to show our STAR values by being considerate towards others, following staff guidance and helping to keep the spaces tidy and ready for the next group. By taking pride in these shared spaces, pupils help make them positive places for everyone.

Please take time to look through the enclosed timetable with your child and encourage them to try a club that interests them. We would love every pupil to find an opportunity they enjoy and feel part of.

Thank you for your continued support.

Yours sincerely

Enrichment Team
