

May 2026

Dear Parents/Carers,

I hope this letter finds you well. As we approach the end of the academic year, I would like to inform you about the upcoming End of Year Assessments, which will take place from Monday 1st June to Friday 26th June.

These assessments are a crucial part of our pupils' academic journey, providing them with an opportunity to experience formal assessment conditions. It also allows teachers to assess their progress and identify areas that may need further attention before we embark on the next stage of the pupils' journey here at George Eliot Academy.

To ensure our pupils are well-prepared, we have conducted an assembly this week to launch the assessments and have provided sessions on study skills during tutor time. These sessions are designed to equip students with effective revision strategies and exam techniques. Furthermore, we have provided an **Assessment Information Booklet** that contains key revision resources and website links so pupils can put the study skills they have developed into practice.

Parental support is vital during this period. Here are a few ways you can assist your child:

- **Encourage a Study Routine:** Help your child establish a regular study schedule, balancing revision with breaks to avoid burnout.
- **Create a Conducive Study Environment:** Ensure your child has a quiet, well-lit space to study, free from distractions.
- **Monitor Progress:** Check in with your child regularly to see how they are managing their revision and offer support where needed.
- **Healthy Lifestyle:** Encourage a balanced diet, regular exercise, and sufficient sleep to keep your child physically and mentally fit.
- **Attendance:** Pupils need to be in school every day, with 100% attendance, to perform at their best during the assessments.

In the revision booklet attached, there are a list of all the exams your child will be undertaking with dates and timings. Attached below is a copy of the revision timetable given to pupils during the assembly. During this time, your child was guided on how to populate it with all their assessments and how to use it as a revision timetable.

We understand that this can be a stressful time for pupils, and your support can make a significant difference in their preparation and confidence. If you have any questions or need further guidance on how to support your child, please do not hesitate to get in contact.

Thank you for your continued support.

Yours sincerely

Mr Jillings
