

Dear Parents,

Urgent: Arrangements for the remainder of the week

I would like to begin by thanking all of you, our pupils and staff for how you have adapted to the arrangements we have needed to put in place due to the ongoing issues in the Linford Block.

Unfortunately, we are still unable to determine how long the block will be out of use for and I therefore need to update you with arrangements for the remainder of this week.

Thankfully, exams have been able to continue as planned and Year 11s should therefore continue to come in to school as expected for the rest of the week. I will send Year 11 parents a separate email with arrangements for the rest of the examination period.

In addition, **Year 10s can and must attend as normal from tomorrow, Wednesday 3rd June.**

For the remainder of this week, however, Years 7-9 will need to continue to learn from home. I do sincerely apologise for this inconvenience for families but I am pleased to say that their learning has continued yesterday and today with a full curriculum being followed.

Work for Years 7-9 will continue to be set online for the remainder of this week and all Year 7-9 pupils are required to participate. Please use the email address corresponding to your child's year group should you have any queries or require support.

We are still unclear as to the likely impact of the building issues for next week, I will update you by the end of Thursday with as much information as I can.

Thank you, again, for your understanding and ongoing support, which has been phenomenal over the past two days. I am sorry that these circumstances, which are entirely out of our control, are impacting on families and our priority is to do everything we can to get back to normal as soon as possible.

Kind regards
