

February 2026

Dear Parents and Carers

We are pleased to inform you that your child has the opportunity to attend a Careers Fair at the CBS Arena in Coventry on Monday 3rd March 2026, as part of our ongoing careers education and enrichment programme. This event is designed to support pupils in exploring a wide range of post-16 pathways and to help them make informed decisions about their future.

At George Eliot Academy, we believe that exposure to meaningful opportunities beyond the classroom plays a vital role in raising aspirations and broadening pupils' understanding of the world of work. The Careers Fair will allow our pupils to meet employers, training providers, and further education institutions from across the region, giving them insight into the skills, qualifications, and routes available after Year 11.

The event will take place from 2pm to 3pm. Pupils will travel by minibus, departing from the school site at 1.30pm and returning by approximately 3.20pm. Pupils are advised to bring a drink and a small snack if needed.

We are confident that this experience will be both valuable and inspiring for our pupils, supporting their next steps planning as they move towards post-16 study and future careers. We remain committed to providing high-quality opportunities that nurture ambition, broaden horizons, and prepare our pupils for life beyond school.

Yours sincerely

Miss S Smith  
Head of PSHE
