

November 2025

Dear Year 7 parents/carers

We are delighted to inform you that all Year 7 pupils will have the opportunity to visit Coventry University on Monday 1st December as part of our Careers Programme, which is designed to help pupils explore future pathways and career options.

At George Eliot Academy, we believe that developing aspirations and career awareness begins as soon as pupils join us in Year 7. We are committed to providing meaningful experiences that encourage pupils to think about their future and make informed choices about their education and career goals.

During this visit, pupils will gain an insight into life at a local university. They will tour the campus, take part in creative team challenges, and learn about different academic faculties and the facilities available. Pupils will need to bring a packed lunch, along with a drink and a small snack.

Pupils will travel by coach, departing from school at 8:40am and returning by 3:00pm.

This promises to be an exciting and inspiring opportunity for our Year 7 pupils, one that will help them begin to understand the wide range of possibilities available for their future. We look forward to building on this experience with further visits and activities throughout their time at George Eliot Academy, supporting them as they develop the knowledge and confidence to make informed career choices by Year 11.

Yours sincerely

Miss S Smith

Head of PHSE

Principal: Mrs H Zakary
