Dear parents/carers

I am proud of our Year 11 pupils and how they have approached their current mock examinations. Pupils are working consistently hard in school, and we have a record number of pupils at interventions. Attendance has been over 95% for our year, which has a huge impact on their chances of success. I would like to thank you all for your continued support.

A Prom committee has been created and we have been flooded with generous offers of support from our community for the Prom night.

Please note the date of **Tuesday 19th March**, 4.30pm to 6.00pm in the South Hall. This event is a chance for our parents and pupils to come in and have a look at some of the Prom clothes and accessories we have sourced. Many items are new, some are gifted and pre-loved. The cost of any clothing will be minimal (£10 to £40) and a partial refund will be given if you bring the item back. We want all our pupils to attend the Prom event, so please come along and let us support you.

We look forward to speaking to you all on March 21st. This is our final Parent's Evening and will be with subject teachers. The evening will be very informative, mock results will be available and we can focus on the next steps needed to ensure that their grades are the best they can be.

With this letter I attach the Easter revision offer, the May holiday sessions and some weekend bespoke sessions that our teachers are doing to support our young people. Pupils that are attending need to be on time and report to reception.

Finally, you are aware that the pastoral leader Miss Molineaux has moved to another job. The year group and I thanked her for all her work, dedication and care she gave to our pupils.

The year group continues to have a strong team working with them and any questions or concerns should be directed to:
