22nd November 2023

Dear Parent/Carer

At the George Eliot Academy we have an aspirational, knowledge rich, five-year curriculum. To support our pupils with this, the information is also available on our website. We provide details of the curriculum on our school website. We send a termly letter home with details of what pupils will be studying in each subject, each term.

Pupils in Year 10 will sit their mid-year formal assessments during the week of 15th - 19th January 2024 and their end of year assessments will be during the week of 13th - 28th June 2024.

Pupils in Years 7-9 will sit their mid-year formal assessments during the week of 22nd - 26th January 2024 and their end of year assessments will be during the week of 13th - 28th June 2024.

These assessments will assess work that they have covered throughout the whole school year. Year 7-9 pupils will sit some of these assessments in their class environment and some in the examination hall. This supports pupils to familiarise themselves with the demands and expectations of formal examination procedures. Year 10 pupils will receive a timetable and will complete their examinations in examination conditions as they would in Year 11 GCSEs. Pupils will have a period of revision and additional supporting materials will be made available to them.

Full details of the curriculum for each subject can be found on the school website under the 'Curriculum' tab. Please click on the subject you require to see what your child will be studying over the year.

Knowledge Organisers

Your child will be coming home with our new-look knowledge organiser. This contains critical, fundamental knowledge that pupils must know in order to be successful. The booklet will help them to recap, revisit and revise what they have learnt in lessons, in order to move the knowledge within from a pupil's short-term memory to their long-term memory.

The knowledge organiser is part of pupils' basic equipment and should be with them on a daily basis. Pupils will be set two home learning tasks each term, in each subject that will support them to use their knowledge organiser. As a parent you can see all the key vocabulary and key knowledge your child should learn, so that you can question and quiz them regularly to support their learning.

If you have any questions, then please contact dee.stanton@midlandat.co.uk

Yours sincerely

Mrs Dee Stanton
Vice Principal
