NEWSLETTER - 10TH NOVEMBER 2023

SENECA

Seneca is a homework and independent study platform that many pupils have used for a long time for study in Languages and Science.

It offers an immersive study experience for pupils in all year groups, allowing them to complete set homework assignments as well as choose their own study and programmes to compliment their learning and revision.

We have recently invested in the premium package for Seneca, which will replace Educake for homework in Humanities and Science in the coming weeks.

All pupils have access to Seneca using their school email address and the password which will be issued by their teachers, any teacher can also reset their password.

Parents will also receive an email with login details to see, support and track your child's homework through this platform.

D-DAY DARLING

We are so proud of Isabel H in Year 8 who had the chance to sing with the D-Day Darlings (from Britain's Got Talent) in an event to raise money for Scotty's Little Soldiers, a charity set up to support bereaved military children.

The charity event raised a total of £35,289 which is incredible.

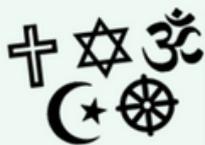

Well done Isabel.

INTERFAITH WEEK

If you could support by donating or baking cakes for our cake sale, or donating items to be taken to Nuneaton food bank, we would be very grateful.
