

June 2025

Dear Parents and Carers

I would like to take this opportunity to congratulate all pupils on the mature and focused way they have approached their End of Year assessments. Their conduct, effort, and resilience have been commendable, and we are incredibly proud of the way they have represented themselves.

To support your understanding of the information that will be included in your child's End of Year report, we would like to invite you to attend an **online information session**. This session will provide an overview of the report format, explain how assessment data has been used, and offer guidance on how to interpret the results.

- The structure and content of the KS3 report
- How to support your child's learning over the summer
