

March 2026

Dear Parent/Carer

We are excited to share the opportunity for pupils to visit the National Space Centre on 27th April 2026. This trip links directly to our current KS3 Science curriculum and will enrich pupils' learning in space and physics topics.

The cost of the trip is £22.68. If you are in receipt of Pupil Premium funding and would like your child to attend, please contact us to discuss the support the school can offer.

Deadline for payment will be 27th March 2026.

Pupils will need to be in full school uniform and bring:

- School Bag
- A packed lunch and a drink
- A pencil case

If your child is entitled to free school meals and you would like the school to provide a packed lunch, please contact Miss Marsden when booking.

We will leave George Eliot Academy at 9:00am, travelling to and from the National Space Centre by coach. The visit is expected to finish at 2:15pm, and we aim to return to George Eliot Academy no later than 3:30pm.

We are excited to offer your child the opportunity to participate in this exciting opportunity. However, to qualify for this trip, we require the following criteria to be met:

- Attendance: Your child must maintain and overall school attendance of 97% or above for the current academic year.
- Behaviour: Your child must demonstrate our STAR values throughout the academic year consistently both in and outside of the classroom.

Please note failure to meet these criteria, without valid justification, will result in your child being removed from the trip, and any monies paid will be forfeited.

We appreciate your understanding and cooperation in ensuring all pupils meet these important

We look forward to your child joining us for what promises to be an enriching and inspiring day.

Yours sincerely

Emily Marsden
