

Dear Parent / Carer

I have written to you during the Autumn term about the importance of homework completion and the increased homework support available to all pupils in school. This information is outlined below.

Unfortunately, across Autumn term, your child has not consistently completed their Sparx homework.

To ensure that your child has the correct access to the platform and can receive support in completing this work to the highest of standards, they will attend a homework support session during their assigned PE lesson this week.
