Dear Parents and Carers

Please find attached a document listing subject-specific revision guides that our teaching staff recommend for supporting Key Stage 4 pupils in their studies. These guides have been carefully selected to align with the curriculum and provide valuable support for GCSE preparation.

In addition to physical revision guides, we also offer access to Pearson Online, a digital platform where pupils can explore a wide range of revision materials across different subjects. This resource is available to all KS4 students and can be accessed from home to support independent study.

To help you make the most of this resource, we have also attached a Pearson Online signing-in guide, which provides information on how to access and use the platform effectively.

We encourage you to review both documents and consider which resources may be most helpful for your child. If you have any questions or need further guidance, please don't hesitate to get in touch.

Kind regards

Hannah Jenkins
Vice Principal

Principal: Mrs H Zakary
