Dear Parents and Carers

RE: Celebrating Success at George Eliot Academy

At George Eliot Academy, we are committed to recognising and rewarding pupils who demonstrate the values and behaviours that lead to success. We understand that for pupils to thrive, they must feel that their efforts are noticed, valued and appreciated, both at school and at home.

Our culture of praise and recognition is built around our core STAR values, which we promote and celebrate every day:

- **Self-Discipline** – making the right choices and taking ownership of behaviour.
- **Tenacity** – showing effort, perseverance and determination.
- **Ambition** – setting high goals and striving to achieve them.
- **Responsibility** – acting with integrity and being accountable.

We have developed a clear and consistent whole-school approach to recognising pupils who embody these values.

Attached to this letter is an overview of our rewards system, outlining how we celebrate pupils' successes and encourage all pupils to meet and exceed our expectations. This system has been designed to promote a positive learning environment and reinforce the behaviours that lead to achievement and personal growth.

Thank you for your ongoing support in helping us build a culture of ambition, respect, and high expectations. If you have any questions about the rewards system or your child's progress, please do not hesitate to get in touch.

Yours sincerely

Miss Mann
