Dear Parents/Carers

Re: Heatwave Precautions and pupils Safety

I Hope you are keeping well.

As we are currently experiencing a period of very hot weather, I would like to reassure you that the safety and wellbeing of our pupils remain our highest priority. We have put a number of measures in place across the Academy to help pupils stay safe and comfortable during the heatwave.

To provide additional shaded areas, we have already installed two gazebos on site and have ordered a further four, which are due to arrive tomorrow. These will offer increased protection from direct sunlight during break and lunchtime periods.

We have also invested in additional fans, and all classrooms are now equipped with fans to help keep learning environments as cool and comfortable as possible throughout the day.

In addition, to support pupils in managing the heat, they have been informed that they may wear their PE kit for the remainder of this week. This will help them to stay cool and comfortable during lessons.

Furthermore, to ensure pupils are not exposed to excessive heat during the hottest part of the day, we have made the decision to postpone the additional PE sessions for Year 8 and Year 9 that were scheduled during these peak temperatures. We will review and reschedule these sessions once conditions are more suitable.

We would also appreciate your support in ensuring your child comes to school prepared for the hot weather, including bringing a refillable water bottle, wearing sunscreen, and bringing a hat if possible.

We will continue to monitor the situation closely and adapt our approach as needed to keep our school community safe.

Thank you for your continued support.

Kind regards

Homeira Zakary
Principal

Principal: Mrs H Zakary
