

October 2025

Dear Parents and Carers

I hope this message finds you well and that your child has enjoyed a positive and engaging start to their journey in Year 7.

As we settle into the academic year, we have taken time to get to know each pupil better - both through baseline assessments in key subjects and through the relationships that are beginning to form between pupils and staff. This has given us a clearer understanding of each child's individual strengths and needs.

As a result, we will be making some adjustments to pupils' timetables, which will come into effect on Monday 20th October. These changes are designed to ensure that every child is placed in the most appropriate learning environment to support their progress and wellbeing.

Please be reassured that these changes will not affect your child's form group or their tutor. We understand how important these relationships are in helping pupils feel settled and supported, and we are committed to maintaining that continuity.

We appreciate your support and understanding as we make these changes with your child's best interests at heart. If you have any questions or concerns, please do not hesitate to contact us.

Warm regards

Hannah Jenkins

Vice Principal
