

May 2025

Dear Parents/Carers

I hope this letter finds you well. As we approach the end of the academic year, I would like to inform you about the upcoming Year 10 mock examinations, which will take place from Wednesday 18th June to Friday 27th June 2025.

These mock examinations are a crucial part of our pupils' academic journey, providing them with an opportunity to experience formal examinations. It also allows teachers to assess pupils' progress and identify areas that may need further attention before we begin the pupils' Year 11 journey.

To ensure our pupils are well-prepared, we have conducted an assembly to launch the mock examinations and have provided sessions on study skills during tutor time. These sessions are designed to equip pupils with effective revision strategies and examination techniques.

Parental support is vital during this period. Here are a few ways you can assist your child:

Encourage a Study Routine: Help your child establish a regular study schedule, balancing revision with breaks to avoid burnout.

Create a Conducive Study Environment: Ensure your child has a quiet, well-lit space to study, free from distractions.

Monitor Progress: Check in with your child regularly to see how they are managing their revision and offer support where needed.

Healthy Lifestyle: Encourage a balanced diet, regular exercise, and sufficient sleep to keep your child physically and mentally fit.

We understand that this can be a stressful time for pupils, and your support can make a significant difference in their preparation and confidence.

If you have any questions or need further guidance on how to support your child, please do not hesitate to get in contact.

Please find attached the study skills booklet with key information and the examination timetable. These resources are designed to help your child prepare effectively for their mock examinations.

Thank you for your continued support.

Yours sincerely

Hannah Jenkins Vice Principal
