Parent Bulletin

October 2026

Self-Discipline | Tenacity | Ambition | Responsibility

A message from our Principal

Dear Parents/Carers,

We have made a fantastic start to the year at George Eliot Academy, with pupils demonstrating excellence in their routines, behaviour and commitment to learning. It has been wonderful to see pupils arriving ready to learn, taking pride in their work and contributing positively to our Academy community.

Alongside their academic studies, our pupils have embraced a wide range of enrichment opportunities. Year 11 pupils started the term with a reward trip to Drayton Manor, recognising their hard work and dedication, while Year 7 pupils had an inspiring visit to Coventry University, helping them to look ahead to future aspirations and opportunities.

Our Academy community also came together to support a very important cause through our Macmillan Coffee and Cake Afternoon. Thanks to the generosity of pupils, staff and families, we raised an impressive £287 for Macmillan Cancer Support. We are very grateful to parents, pupils and staff who contributed.

Pupils have also enjoyed a range of social events, including our Year 7 and Year 8 Halloween Party, which provided a fantastic opportunity to have fun, build friendships and celebrate together.

Looking ahead, we are excited about our Fireworks Night on 4th November. This promises to be a wonderful community event, and we warmly invite all parents, carers, extended family members and friends to join us for what is sure to be an amazing evening. We would love to see as many members of our George Eliot Academy family as possible join us for this fantastic event.

Kind regards

Homeira Zakary
Principal
George Eliot Academy

Year 7 - Loudmouth Performance

On 25th September, Year 7 pupils took part in the Loudmouth Education workshop, A Step Too Far. The performance explored important themes around friendships, respect, peer pressure, bullying, boundaries and personal safety in a way that was engaging and appropriate for young people.

Through a powerful drama-based presentation, pupils followed the experiences of young characters who faced a range of situations that many young people may encounter as they move into secondary school. The workshop encouraged pupils to consider how their actions can affect others and highlighted the importance of making positive choices, showing respect, and speaking up when something does not feel right.

Key messages included:

- Understanding the difference between friendly behaviour and bullying.
- Recognising peer pressure and developing confidence to make independent choices.
- Respecting personal boundaries and the boundaries of others.
- Knowing how to stay safe both in school and online.
- Identifying trusted adults who can provide support when needed.
- Developing empathy and understanding the impact that words and actions can have on others.

The session provided valuable opportunities for pupils to reflect on their own behaviour and relationships while reinforcing our school's commitment to creating a safe, respectful and supportive community. Pupils engaged thoughtfully throughout the workshop and were encouraged to ask questions and discuss the issues raised.

A Step Too Far supported our PSHE and character education programme by helping pupils develop important life skills such as responsibility, self-discipline, respect and resilience, equipping them to navigate friendships and challenges positively as they progress through secondary school.

Nature Park Project

We are delighted to announce that George Eliot Academy is taking part in the Royal Horticultural Society (RHS) Nature Park Grant Programme.

As part of this exciting initiative, we are applying for funding to enhance the biodiversity of our school grounds, creating greener spaces that will benefit both wildlife and our school community. Potential projects could include wildflower areas, bird and insect habitats, improved planting schemes, and outdoor learning opportunities.

We would love to hear ideas from pupils, parents, carers, and members of the wider community about how we can make our school site an even better place for nature. If you have any suggestions, please send them to Mr Brooks-Keith via email.

Pupils will also have the opportunity to get actively involved in the project from the New Year, helping to plan, create, and maintain areas that support local wildlife while developing valuable environmental and gardening skills.

Together, we can make a real difference and create a thriving nature-friendly environment for future generations.

🌿 Got an idea? We'd love to hear it! Contact Mr Brooks-Keith by email - Harry.Brooks-Keith@Georgeeliotacademy.org.uk and help shape the future of nature at George Eliot Academy.

Mrs Farrer School Counsellor how to make a referral.

To make a referral for counselling a pupil, can ask any member of staff to fill out a counselling referral form. Alternatively you can see Mrs Farrer in M013 you can email at sarah.farrer@georgeeliotacademy.org.uk or on the school website there is a concern log button. You can put a note in the inside out, black boxes in Main outside M017, South by the pastoral office and Linford on the first floor when it reopens. These are not to be used in a emergency or crisis. Please include full name and year plus a brief reason.

Upfront Theatre Company Visit: Riot Act Performance for Year 9

On 7th October 2026, we were delighted to welcome Upfront Theatre Company to George Eliot Academy, where they delivered their powerful and engaging performance, Riot Act, to our Year 9 pupils.

The performance explored a range of important issues affecting young people today, encouraging pupils to consider themes such as personal responsibility, the consequences of choices, peer influence, respect, conflict, and making positive decisions. The actors brought realistic scenarios to life, helping pupils to reflect on how their actions can impact both themselves and those around them. The session provided an excellent opportunity for pupils to engage with real-life situations in a safe and supportive environment.

This performance linked well with our PSHE curriculum, particularly in supporting pupils' understanding of healthy relationships, personal safety, decision-making, and emotional wellbeing. It also reinforced many aspects of our Character Education programme, promoting key values such as responsibility, respect, self-discipline, resilience, and empathy. Pupils were encouraged to reflect on their own character strengths and consider how they can positively contribute to their school and wider community.

The feedback from pupils was extremely positive, with many appreciating the realistic nature of the scenarios and the opportunity to discuss issues that are relevant to their everyday lives. We would like to thank Upfront Theatre Company for delivering such an impactful and memorable experience that supported both the personal development and character growth of our Year 9 pupils.

LIGHTS, CAMERA, SNOWCASE!

George Eliot Academy • Wednesday 17 December 2026

The countdown is officially on for this year's Snowcase Winter Concert, and excitement is building across the Music Department as pupils prepare to take audiences on a magical journey At the Movies!

Our talented musicians, singers and performers have been working hard in rehearsals, bringing together music inspired by iconic films and cinematic moments. With powerful themes, memorable melodies and a sprinkle of festive magic, the Snowcase concert promises an evening full of energy, creativity and entertainment.

It has been wonderful to see pupils showing such commitment, teamwork and enthusiasm. As they rehearse, their confidence continues to grow, and we can't wait to celebrate the musical talent and hard work of our George Eliot Academy pupils.
Inspired by the spectacular showmanship of The Greatest Showman, this year's concert will be a celebration of imagination, performance and the magic that happens when our school community comes together. We're looking forward to welcoming families and friends for a memorable evening of music, drama, song and dance.

George Eliot: Our Community, Our Story

Same Name. A Stronger Community.

Did you know that George Eliot was actually the pen name of Mary Ann Evans, the famous Victorian novelist who was born in Nuneaton?

Her connection to our town lives on through three local organisations: George Eliot Academy, George Eliot Hospital and Mary Ann Evans Hospice. Although each organisation has a very different role within our community, they all share a connection to the same remarkable woman.

Inspired by this shared history, five of our Year 9 pupils, supported by Miss Evans, are launching a new Social Action Project to bring the three organisations together and make a difference in our local community.

Tiny Hats, Bright Futures

Our first initiative will support the maternity and neonatal departments at George Eliot Hospital through donations of knitted baby hats.

Calling all knitters! Do you knit, or know someone who does? Perhaps a parent, carer, grandparent, friend or neighbour? We would love donations of knitted baby hats from our George Eliot families. Whether you can make one or ten, every contribution would be appreciated!

Community Café: Good Company, Brighter Days

We are planning to open a Community Café at George Eliot Academy, providing a welcoming space for local people to enjoy a cup of tea, a slice of cake and some company.

We hope the café will help tackle loneliness and bring people together.

Coming soon! Keep your eyes peeled for further information and dates for our first Community Café.

Hearts of Comfort & Kindness

Our third initiative will support Mary Ann Evans Hospice through donations of crocheted hearts, offering a small gesture of comfort and kindness to patients and their loved ones.

We would love donations of crocheted hearts from families and members of our wider community who enjoy crocheting.

George Eliot Academy
The best in everyone™

Can You Help?

We would love as many parents, carers, grandparents, friends and neighbours as possible to get involved. Whether you enjoy knitting or crocheting, or know someone who does, please help us spread the word!

First Collection Deadline: Friday 4th December 2026

Further collection deadlines will be announced throughout the academic year.

Donations can be brought into school and handed to Miss Evans in the PE department.

For more information, or to request a knitting pattern to help you get started, please contact Miss Evans at courtney-chantell.evans@georgeeliotacademy.org.uk.

Celebrating Success in The Schools Bible Project

We are delighted to recognise the achievements of several George Eliot Academy pupils who took part in The Schools Bible Project 2026. The competition encouraged pupils to think creatively, reflect on important themes and express their ideas through a range of engaging entries.

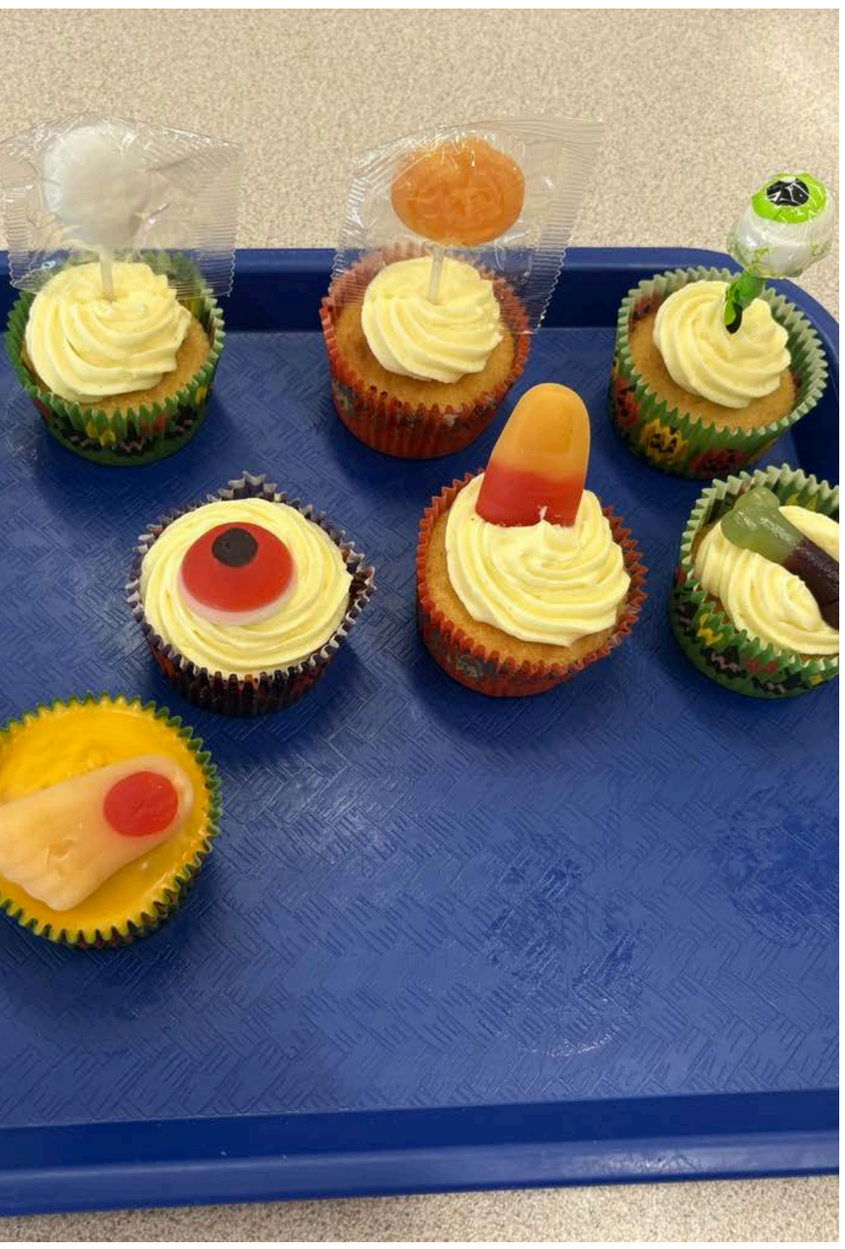

A special congratulations goes to one of our pupils, who was selected as a prize winner and awarded a copy of Mere Christianity by C. S. Lewis in recognition of the quality of their work. This is a fantastic achievement and reflects the effort, thought and creativity that went into their entry.

We would also like to congratulate all the George Eliot Academy pupils who participated in the competition. Taking part required dedication, imagination and a willingness to engage with new ideas, and we are incredibly proud of everyone who represented the school. While not every entry received a prize, each pupil should be proud of their contribution and the enthusiasm they showed throughout the project.

Well done to all involved for embracing this opportunity and representing George Eliot Academy so positively.

Halloween Cake Decorating

Year 9 students helped decorate cakes to sell at the year 7 and 8 Halloween disco. There was some very creative ideas. Thank you to the year 9 girls for getting involved and helping.

GEA Raises £287.01 for Macmillan Cancer Support!

We are incredibly proud to share that George Eliot Academy raised £287.01 through our recent Macmillan fundraising event. This fantastic achievement would not have been possible without the generosity and support of our pupils, staff and families. Thank you to everyone who baked, donated, purchased treats or helped organise the event. Every contribution, no matter how big or small, will help support the incredible work of Macmillan Cancer Support.

Spotlight to Safeguarding

ECHO

From August 2026, Warwickshire County Council have introduced a new mental health and wellbeing service to support children, young people, and their parents/carers. This service provides the right support at the right time, ensuring that early intervention is provided before problems get worse. This service is for lower to moderate level emotional needs and will provide advice, guidance, and short-term targeted support which can include:

- Drop in support
- Sports and wellbeing sessions
- Online Support
- 1:1 and group-based community interventions
- 1:1 and group-based school interventions
- Mentoring
- Counselling

The service will provide early emotional wellbeing and mental health support to children and young people and their families/carers for a range of concerns including but not limited to:

- Emotional regulation
- Low self-esteem
- Low mood
- Anxiety management
- Anger awareness
- Loss
- Self-harm (for coping)
- Disordered eating
- Communication and relationships
- Understanding sensory needs
- Understanding trauma
- Attachment -based parenting
- Protective behaviours/self-care
- Sleep care
- Routines
- Transitions
- Practical parenting/carer support
- Parental/carer relationship breakdown
- Exam fear/stress
- Social isolation, friendship issues, loneliness

Parents/Carers can self-refer to this service using the online form: -

The Warwickshire Youth Conference 2026

Our Voice, Our Warwickshire is back and booking is now open

📅 Friday 30 October 2026 ⏰ 10am to 4pm 📍 Manufacturing Technology Centre, Ansty Park, Coventry

The conference is organised by young people, for young people, and is packed with interactive activities, workshops and opportunities for attendees to have their say on issues that matter to them.

Young people can:

- Learn CPR and how to use a defibrillator
- Take part in a Traitors-style mental wellbeing challenge
- Build confidence and learn how to get their voice heard
- Explore environmental issues and how they can make a difference
- Think about careers, money and their future

And that's not all! There will also be:

- A dance machine, digital graffiti wall and other fun activities
- A raffle with a laptop as the top prize
- Free lunch, snacks and refreshments
- Lots of stalls, information and freebies

Transport support is available, so travel doesn't need to be a barrier to attending.

Book a place: https://bit.ly/4xlOtO7
Taking place during the October half-term, this is a great opportunity for young people to spend a day developing new skills, meeting others from across Warwickshire and having their voices heard.

Sports Leaders Ready to Lead the Way!

On Thursday 8th October, 20 enthusiastic Year 9 pupils took part in Sports Leaders training at George Eliot Academy, marking the beginning of an exciting year ahead as young leaders and ambassadors for our school.

Throughout the training, pupils demonstrated fantastic teamwork, enthusiasm and a willingness to challenge themselves as they developed essential leadership skills, including communication, organisation and the ability to motivate others.

Our Sports Leaders will play an important role in welcoming local primary schools to George Eliot Academy, supporting a variety of sporting festivals, competitions and events throughout the academic year.

The programme is about much more than sport. It provides pupils with an opportunity to grow in confidence, take on responsibility and put our STAR values into practice, becoming positive role models who support and encourage younger pupils.

A huge well done to all 20 pupils who completed their training! We are incredibly proud of their enthusiasm and commitment and look forward to seeing them put their leadership skills into action throughout the year.

Boxing Clever Academy – Enrichment in Action!

As part of our enrichment programme, pupils have been enjoying the opportunity to attend boxing sessions at the local Boxing Clever Academy.

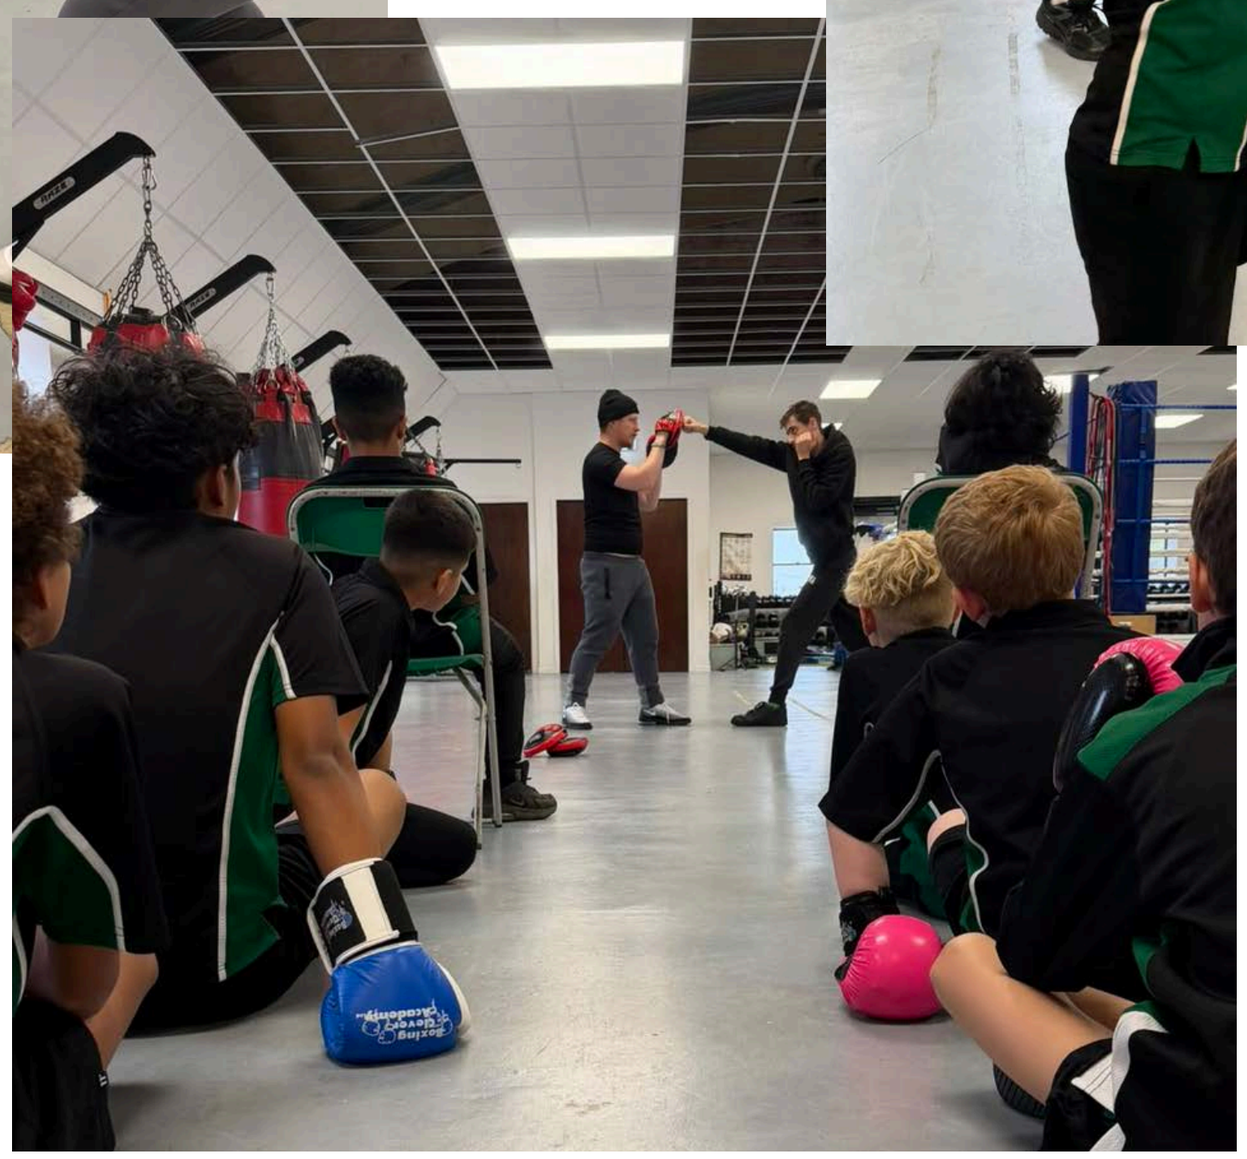

These sessions provide pupils with an exciting opportunity to develop their fitness, coordination and boxing techniques. Beyond the physical benefits, boxing encourages pupils to demonstrate our STAR values, particularly Self-discipline, Tenacity and Responsibility.

It has been fantastic to see pupils embracing new challenges, supporting one another and developing valuable life skills outside the classroom.

A huge thank you to Boxing Clever Academy for providing such a positive and engaging experience for our pupils!

A busy half term of sporting fixtures!

It has been a fantastic half term of competitive sport at George Eliot Academy, with pupils proudly representing the school in a host of netball, football and rugby fixtures.

Our featured photo shows our Year 9 football team, who have put in some stand out performances, as well as showing excellent character when playing.

A special mention goes to Jenson Jump, who, alongside his school football commitments, has also been selected to represent Warwickshire in football – a fantastic achievement!

Well done to all pupils who have represented the academy with pride and demonstrated our STAR values!

Supporting Our Community – George Eliot Hospital Charity

We are delighted to announce a new partnership between George Eliot Academy and George Eliot Hospital Charity, strengthening our commitment to supporting our local community.

The charity does fantastic work raising funds for innovative medical equipment and improving the experiences of patients and their families at our local hospital.

As part of this partnership, we are pleased to promote the George Eliot Hospital Charity Lottery, which offers supporters the opportunity to contribute to this important cause whilst having the chance to win cash prizes.

Further information, including how to get involved, can be found on the attached poster.

Join Learn to Play Week at Warwickshire Music

As part of Learn to Play Week, Warwickshire Music is opening the doors to its music centres and inviting young musicians currently receiving instrumental tuition, either in school or privately, to experience the joy of playing as part of an ensemble.
Music centre ensembles are free to attend and offer a fantastic opportunity for children and young people to develop their musical skills, build confidence and make new friends through music.

Whether your child already plays in a group or would like to try ensemble playing for the first time, everyone is welcome.

Interested in taking part?

Family Health Newsletter

Edition: September 2026

Introduction

Welcome to theSeptember edition of our Family Health Newsletter, created by Warwickshire's Child and Family Wellbeing service for children, young people and their families.

This newsletter is designed to keep you informed and connected with our service. Each month we'll share health advice, service updates, and insights from our team as we work together to help children and families in Warwickshire lead healthier, and happier lives.

Your feedback and ideas will help us shape future editions to ensure we're providing you with information that truly matters.

We want your feedback

Clickhere tohelpusensureournewsletters are filled with information which is relevant to you and your family.

What's in this month's newsletter?

As children and young people settle back into school, college, and nursery routines, September is the perfect time to focus on sleep - one of the most important foundations of good health and wellbeing.

In this month's newsletter, we explore how healthy sleep habits can support children's growth, learning, emotional wellbeing, and physical health. Whether you're caring for a baby, supporting a school-aged child, or helping a teenager navigate busy schedules, establishing consistent routines can make a real difference.

Practical Guidance

You'll find practical guidance on safe sleep for babies and young children, advice on creating effective bedtime routines for school-aged children, and tips to help teenagers develop positive sleep habits and reduce barriers to quality rest. We also focus on supporting children and young people with Special Educational Needs and Disabilities (SEND) to build healthy routines and maintain good sleep hygiene.

Breakfast Club

As darker mornings begin to set in, we would like to remind families that the school site is open from **8.00am each day**. Pupils are welcome to attend our **Breakfast Club in South from 8.00am**, providing a warm, safe and supervised start to the school day before lessons begin.

Homework Club

Self-Discipline | Tenacity | Ambition | Responsibility

Supporting your child with anxiety: Back to school

Starting a new school year can bring excitement, anticipation and sometimes anxiety for both children and parents. Supporting your child's emotional wellbeing, confidence and independence can help them settle successfully and enjoy a positive start to the term.

Top tips for parents

Settle back into school routines

Consistent routines around sleep, homework and family time can help children feel secure, settled and better able to manage the school week. Predictable routines help children feel secure and reduce anxiety.

Talk openly about feelings

Encourage your child to share both their worries and excitement. Listen without judgement and reassure them that feeling nervous is normal.

Stay organised together

Check that your child has everything they need for the school week and talk regularly about how things are going. Feeling prepared and supported can help build confidence and reduce worries.

Promote independence

Encourage age-appropriate responsibilities such as organising their school bag, managing homework, or planning their morning routine. This helps build confidence and resilience.

United Learning
The best in everyone™

Supporting your child with anxiety: Back to school

Top tips for parents

Encourage friendships and connections

Support your child to build and maintain positive friendships, whether through school, clubs or activities. Strong social connections can help children feel more confident, settled and supported.

Celebrate small successes

Acknowledge achievements, effort and positive steps, no matter how small. Positive reinforcement helps build self-esteem and confidence.

Watch for signs of anxiety

Changes in behaviour, sleep patterns, appetite, mood or school attendance may indicate that a child is struggling. Early conversations and support can help prevent issues escalating.

Parent resources:

Parent Toolkit on Mental Health in Children & Young People from Place2Be, Young Minds, Kings Maudsley Trust

Parenting Smart from Place2be

Anna Freud family wellbeing resources

Remember

Every child adjusts at their own pace. Keep communication open, celebrate progress and seek help early if concerns persist. Together, families and schools can help children thrive throughout the school year.

Can You Help Make Our PTA Events Extra Special?

The PTA is preparing for a number of exciting upcoming events and is seeking donations to support raffles, tombolas and fundraising activities.

We would be grateful for donations of chocolates, bottles, unwanted gifts, gift sets, vouchers, experiences or services that could be used as prizes. If you own a business, work for a local company, or know someone who may be able to help, we'd love to hear from you.

Every donation, no matter how big or small, helps us raise valuable funds to enhance opportunities and experiences for our pupils.

Donations can be handed in at school reception or by contacting the PTA directly.
Thank you for your continued support.

LEAVE OF ABSENCE DURING TERM TIME
UPDATED INFORMATION FOR PARENTS

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wright 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.
When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate.
It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent i.e. the parent with whom the child normally resides.
Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.
Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'.
All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

Leave of Absence taken in the academic year 2026-27

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).
- First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
- Second Leave of Absence offence within a 3-year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

- Payment plans will not be offered and/or payments received outside of the 28-day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

- Third Leave of Absence offence within a 3-year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.

Your child's progress academically as well as socially is our shared priority.
